In line with COVID-19 public health orders, all children and parents must sanitize and check in on arrival and departure of any class.

Only registered gymnasts participating in classes are permitted in the gym area (except Kindergym parents assisting their child). Ulladulla gymnastics will not be held liable for any accidents that occur prior or after your child's gymnastics lesson.

No food/drinks (excluding water) are to be consumed in the gym area and must be consumed outside or in the canteen area.

Under no circumstances are children to leave the venue without a parent or guardian present.

Ulladulla Gymnastics is a community club and relies on volunteers to operate effectively & keep fees as low as possible. There is a range of ways that parents can assist with the club so we can effectively work together as a great team.

2021 is also a very exciting year as we look to transition to the Dunn Lewis Centre & Gymnastics specific area. This will allow for less set-up & pack up requirements, however there are lots of things required to help us transition to this site & then operate smoothly.

Please tick below where you are able to assist:

- Help move equipment into the new site
- Help set-up the new sprung floor – move large boards
- Have a drill & are able to help secure springs to new floor
- Canteen assistance for events
- Food for volunteers during new install
- Newsletters & communication – ongoing
- Cleaning Pit Foam – bi-annually
- Cleaning – Installation stage
- Venue set-up for events
